

CCFE Advisory 2008-32

November 17, 2008

Re: CFI Futures – New Listings of 2013, 2014 and 2015 Contract Months

CCFE market participants have requested CCFE to expand its listing of CFI futures contracts in anticipation of a future U.S. government mandated carbon cap-and-trade system. In response to this request, CCFE will list the following contract months for trading on **Tuesday, November 18, 2008**.

Jan 2013
Dec 2013
Dec 2014
Dec 2015

In addition, CCFE has modified the Rule 1605 – Deliverable Instruments to define the category of eligible instruments that will qualify to be delivered under a government mandated system for contracts with expiration dates in 2013 and subsequent years. The rules and the CFI futures contract specifications are available on the CCFE website at
