

CCFE Advisory 2009-07

February 12, 2009

Re: Presidents' Day Trading Schedule and SFI Futures Delivery Schedule

CCFE markets will close early at 12:00 p.m. CT on Monday, February 16, 2009.

In addition, deliveries for any Feb 09 SFI futures positions normally scheduled to occur on Monday, February 16th, will occur on Tuesday, February 17th. (Sellers should not transfer EPA allowances on Monday. The transfer instructions should be placed on Tuesday.)

The Clearing Corporation will collect delivery proceeds prior to the open on Tuesday, February 17th from the buyer clearing participants for all deliveries originally scheduled for Monday February 16th and deliveries scheduled for Tuesday February 17th.
